

MALAYSIA IWRM Issue 5 – Water Pollution Management (18 indicators)

Indicator Types	Indicators	2010	2013	2014	2015
Outcome Indicators	1. Percentage of monitored water bodiesø ambient water quality meeting designated uses (agriculture, water supply, fisheries, industrial, etc.)	51%	58%	52%	58%
	2. Percentage of industrial/domestic effluent discharge complying with the country's effluent discharge standard	Refer Table 5.2	Refer Table 5.2	Rubber Factory - 100% Palm Oil Mills ó 98% Non prescribed premises ó 99.7%	Rubber Factory - 100% Palm Oil Mills ó 98% Non prescribed premises ó 99.81%
EE Indicators	1. Any òPolicyö on water pollution control	Yes (8)	Yes (8)	8	8
	2. Any òLegislation/regulationö for water pollution control (i.e. for the management of water quality and wastewater quality)	Yes (8)	Yes (8)	8	8
	3. Any òFinancial framework and Financing plansö for water pollution control			8	8
IS Indicators	1. Any òAgency/Departmentö responsible for water pollution control	Yes (8)	Yes (8)	8	8
	2. Any òSteering committeeö on river water quality and environmental issues (e.g. inter-agency committee)	Yes (8)	Yes (8)	8	8
	3. Any òFormal institutional arrangementsö among related agencies to manage water pollution	Yes (8)	Yes (8)	8	8
	4. Any òPrivate/public partnership and participationö in managing water pollution	NA	NA	NA	NA
MT Indicators	1. Any river water quality master plan at national and local levels	NA	NA	NA	NA
	2. Any relocation plans for highly polluting industries in a river basin	NA	NA	NA	NA
	3. Any effluent discharge standards	Yes (8)	Yes (8)	8	8
	4. Any river water quality monitoring program	Yes (8)	Yes (8)	8	8
	5. Any river water quality information system/database	Yes (8)	Yes (8)	8	8
	6. Any program to disseminate to the public regular report on river water quality status	Yes (8)	Yes (8)	8	8
	7. Any groundwater quality monitoring programs and systems	Yes (8)	Yes (8)	8	8
	8. Any computer simulation models used to predict river water quality	NA	NO (7)	NA	7
	9. Any public awareness program on water pollution prevention	Yes (8)	Yes (8)	8	8
